## TRESTLE 31 CHARDONNAY FINGER LAKES 2019

The best chardonnay to date from Finger Lakes? So vibrant, with an intensely flinty nose that's just beginning to open up. You need patience to get everything this masterpiece has to offer. Excellent concentration on the precisely contoured palate, the stunning freshness really lighting everything up. In spite of the intense minerality and fine tannins, the finish is already very silky. Made in a mix of new and used oak, plus some stainless steel. Limited production. Drinkable now, but best from 2024.
