Tasted by: Charles Curtis MW
(at New York, 31 Jul 2022)

Part of Finger Lakes white wines: best new releases

Drinking Window: 2022 - 2035

This beautiful, elegant expression of Chardonnay has a bit of oak spice on the nose but not enough to obscure the lovely notes of ripe peach and bergamot, with hints of mineral and a floral edge. The texture is light but not insubstantial, with a subtle, lingering finish. The Chardonnay is produced with grapes from the Nutt Road Vineyard that were destemmed and pressed before fermentation, half in cask (50% new) and half in stainless steel barrels. The result has a delicate balance between richness and a sprightly fresh acidity.

TRESTLE 31 CHARDONNAY FINGER
LAKES 2020

What a beautiful fragrance of ripe pear and hazelnut this refined cool climate chardonnay has! Seamless integration of restrained toast and vanilla oak with generous fruit on the focused palate. Long graceful finish with tantalizing mineral acidity. Drink or hold.
