TRESTLE 31 CHARDONNAY FINGER LAKES 2020

What a beautiful fragrance of ripe pear and hazelnut this refined cool climate chardonnay has! Seamless integration of retrained toast and vanilla oak with generous fruit on the focused palate. Long graceful finish with tantalizing mineral acidity. Drink or hold.

WINE ENTHUSIAST

A perfumed and intensely fruity Chard, this opens with honeyed melon and stone fruit. As it warms in the glass it smells more like butterscotch candy. The palate is light- to medium bodied with a slippery texture, a hint of toasty, gingery spice and lovely white peach and melon patch flavors to the finish. —C.P.
