WINE ENTHUSIAST

With a vibrant pink hue and an aroma profile of strawberries and spring flowers still in the ground, it's hard not to like this Finger Lakes bottling. There's crisp acidity and gentle textural weight to the palate. It's a harmonious bottling and a hugely versatile food pairing wine for spring and summer fare. Editors' Choice. —C.P.

The 2023 Rosé Is 100% Cabernet Franc. Pale cotton-candy pink In the glass, It's expressively aromatic, with notes of white cherry, ripe strawberry, yogurt, apricot and mint In a medium-bodied package. At once both creamy and taut, the 2023 Is not shy on acidity or structure. It finishes exceptionally long and salty. This Is a Rosé that would be very much at home on the dinner table.
