WINE ENTHUSIAST

Rich and heady with honeyed orchard fruit aromas and a bright citrus zing, there's some sweetness here but that zippy acidity keeps it ultrarefreshing. This would be a knockout with Thai green curry or spicy fish tacos. —C.P.

The 2022 Riesling is rounded, concentrated and citrus-driven. Notes of petrol, honey, apricot and slate Introduce a wine of great depth. It's an ode to properly ripened fruit, finishing clean, precise and even-tempered. I admire the calibrated acidity and well-measured grip here.
