Score: 92

The 2021 Cabernet Franc spent 18 months In one-third new French oak. Classically style and classy, the 2021 boasts beguiling aromatics and gentle textures. Right off the bat, the refinement of tannin Is notable. Darker In character than the 2022 tasted alongside, It pushes out black cherry, black raspberry, rosemary, lavener and tobacco. Not only Is this compelling, but It's an excellet effort In a challenging year. New oak usage Is Impeccably judged here, which Is unfortnately uncommen In the Finger Lakes.

TRESTLE 31 CABERNET FRANC FINGER LAKES 2021

VERYSATISFYING INTERPLAY OF VANILLA OAK, RIPE REDCURRANTFRUIT AND FINE-GRAINED TANNINS ON THE MODERATELY DRY, MEDIUM-BODIED PALATE. IMPRESSIVE DEPTH FOR THE VINTAGE. DEVELOPS SOME NICE DRY FOREST-FLOOR AND DRIED-HERB CHARACTER WITH AERATION. SHOULD AGE WELL. LIMITED PRODUCTION FROM THE SIMMONS VINEYARD ON KEUKA LAKE. DRINKABLE NOW, BUT BEST FROM 2026.
