TRESTLE 31 RIESLING FINGER LAKES DRY 2023

Abeautifully elegant dry riesling withwhite flower, pear and white peach aromas. The balance of fruit, restrained minerality and spring-like freshness is really delightful. Very impressive length, the finish feeling almost weightless. Drink or hold.

Variety:Riesling

The 2023 Riesling includes 5% that was fermented in acacia wood and blended with the stainless-steel portion after six months. This taster would be hard-pressed to say there was any noticeable signature as a result, but the wine is still excellent. Scents of green apple and lime predominate on the nose, with subtle accents of crushed stone, agave syrup and flower-shop greens. Medium-bodied and quite dry (12% alcohol and five grams per liter of residual sugar), it's also reasonably concentrated and viscous on the palate, with a lingering richness on the finish.
